All,

Please see Mike's email below regarding Shaun's involvement in Montana sites. If you could provide me with responsive information by 3:30 today, that would be great. If not, please provide it to Andrea as soon as possible when she returns to the office.

Thanks,

Subject: McGrath recusal list - need your input

Hi Andrea,

Attached is the draft McGrath recusal list. For the Superfund sites, KC asked me to see if you can you insert into the third column a brief description of Shaun's participation in the listed sites. If his involvement was limited to a particular OU, or otherwise segregated to particular aspects of the site, please include that information. It may end up that he's still recused from the whole site, but we may want to discuss the lines with Justina. As you can guess, we're trying to finish this up as soon as possible.

Thanks Andrea.
